Pre -Loved Uniform Shop

Friends of Willow are happy to announce the launch our pre-loved uniform shop. We are just at the start of this fantastic venture so please keep your eyes posted for any events and updates.

Our uniform shop currently is well stocked and has various sizes of the following items available to purchase:

- Willow Primary School logo jumpers and cardigans
- Shirts, trousers and skirts
- Coats
- Bags
- School accessories

Prices will range from 50p up to £5, with 100% of each sale going straight to Friends of Willow to help with school funds and purchases.

We believe that with the pressure on the planet, it is our small contribution in helping to reduce the number of items of textile waste reaching landfill. At the same time it will provide families with the opportunity to buy high quality pre-loved uniform at an affordable price.

Any uniform enquires can currently be made to admin@willow.doncaster.sch.uk until we have our Website/Facebook page set up. We also have a pop-up shop that will be at upcoming events.

Any donations of good quality uniform, coats or school accessories will be gratefully received. We welcome clean, bagged items, with name labels removed and these can be dropped off at the school office.

Kind Regards

Friends of Willow
