Year 5 Art Bytes Competition

Dear Parents and Carers,

Art Bytes is a national competition which celebrates creativity in young people. Each year, students from Year 5 across England submit their artwork, which is then shortlisted by a panel of arts professionals who select their top 3 entries from each school. We are delighted that our school is part of this year's competition and would now like you to vote for your favourite, to determine which of our students goes through to the next round of the competition.

The public vote is open from Friday 20th March – Sunday 19th April. To vote for our school please visit here: <https://artbytes.co.uk/browse-schools/>

Our school could be in for a chance of winning a regional or national prize, and first place winners from each school will also be invited to their regional celebration event in June.

The artwork from each school with the most votes will be showcased in the Art Bytes Virtual Gallery. Additionally, the school with the highest number of votes overall will be awarded the Community Engagement Award, receiving special recognition for building a community that supports and celebrates their students.

More information can be found at <https://artbytes.co.uk/how-to-vote/>

Thank you for your continued support

Kind Regards

Mrs Newton
Art Subject Leader
