Clothing Donations

Dear Parents and Carers,

We are delighted to share that our STEM Ambassadors are once again taking part in the ASDA Heroes Project this year. As part of the project, the children have been learning about the United Nations Sustainable Development Goals and have chosen to focus on:

- No Poverty
- Zero Hunger
- Reduced Inequalities
- Responsible Consumption and Production

After lots of thoughtful discussion and planning, they have designed a wonderful social action project. The children will be repurposing old clothes to create tote bags and other new products, which they will then sell. The money raised will be used to make healthy recipe bags that will be donated to families in need and local food banks within our community.

To make this project a success, we are asking for your support.

Clothing Donations Needed

If you have any old adult clothes in good, clean condition that you no longer need, we would be very grateful for your donations. These items will be upcycled by the children and given a new purpose.

- **Jeans**
- **Shirts**
- **T-Shirts**

Please send your donations into school with your child to give to their class teacher.

Deadline for donations: Friday 8th May.

Through this project, the children are developing their understanding of sustainability, social responsibility and how small actions can make a big difference to others. We are incredibly proud of their compassion, creativity and determination to help the wider community.

Thank you, as always, for your continued support and generosity.

Yours sincerely,
Miss Ward and The STEM Ambassadors
