Year 5 Egyptian Day

Dear Parents and Carers,

We have organised our highly successful Egyptian Day for our Year 5 children to link in with their current topic. The day is run by an organisation called '*History Off the Page*', and consists of various Egyptian craft workshops in the morning, and exploring the past through archaeology in the afternoon. This educational day will take place on **Thursday 17th September 2026** and the cost per child is **£20.50**.

This is such a wonderful day for the children, with a hands-on learning approach that boosts their understanding of the topic, as they are transported into Egyptian times with Egyptian artefacts.

We have used this company for years, and have found that their specialist knowledge and resources they bring to school, give the children an excellent experience.

The children can come to school dressed as Egyptians or in their full school uniform.

For this to go ahead, please can you make a voluntary contribution or payment on Parent Pay by Friday 11th September as payment acts as consent that you are happy for your child to take part. If we do not receive enough funds, unfortunately the day cannot go ahead.

If you would like to volunteer on the day, please let the school office know by emailing:

Kind Regards,
