

Monday 6th October 2025

Harvest Festival

Dear Parents and Carers,

At Willow Primary, we want to provide opportunities for our children to develop empathy and understanding about the challenges some people face. To support this, we will be holding our annual Harvest Festival celebration on Monday 20th October.

We will be joined by Reverend Richard Heard from St. Francis Church for a school assembly. We will sing a harvest related song. Reverend Richard will encourage children to think about people who are less fortunate than themselves, or who find themselves in challenging circumstances.

We would like to take this opportunity to support a local charity, Doncaster Foodbank, who provide for homeless and disadvantaged people in Doncaster. We hope that you are able to support us in this by donating non-perishable goods such as **tinned or packet food and drink**. They will also accept unused **toiletries such as shampoo and conditioner, shower gels, soaps and deodorants**. This year we will also be supporting National Hygiene Week in the fight against hygiene poverty in our city, therefore **unused, sealed** cleaning products are welcome too.

The charity is always grateful to receive these donations.

Please send in any of the above into school, either to classrooms or to the office, as soon as you are able, and **before Friday 17th October 2025**, as we would like to display these before they are collected.

We thank you for your support to allow us to share and support others in our community.

Yours sincerely
Mrs J Singh
Religious Education Champion
