

Friday 18th September 2026

Dear Parents and Carers,

We are pleased to invite our pupils to take part in Jeans for Genes Day on **Friday 25th September** to help raise funds for children and families affected by genetic conditions.

About the Cause

Jeans for Genes is an annual national campaign that raises money to support children and families living with genetic conditions in the UK. An estimated 1 in 10 families are affected by genetic disorders—such as cystic fibrosis, muscular dystrophy, and sickle cell anaemia—and the funds raised provide vital specialist equipment, care services, and support networks.

Fundraising Across Our Academy Trust

We are excited to be taking part in this initiative alongside all the other schools across our academy trust. By uniting our school communities for this event, we hope to maximise our combined impact and make a fantastic overall contribution to this important charity.

What pupils can wear

On this day, pupils may replace their standard school uniform **trousers, skirts, or pinafores** with a pair of jeans. Please note that all other elements of the regular school uniform—including school shirts, jumpers, and sensible footwear—should still be worn as normal.

Donation Details

- Suggested Donation: £1.00 per pupil.
- **Online Payments:** You can donate quickly and securely via **ParentPay**.

100% of the money raised goes directly toward funding vital support services, specialist equipment, and care for individuals living with genetic disorders. Thank you in advance for your continued support and generosity in helping us back this wonderful cause.

Kind Regards,

Miss Pownall

Personal Development and PHSE Leader
