## Key Stage Two – Healthy Tuck Shop

Dear Parents and carers,

From next week, our Pupil Leadership Team will begin to offer a healthy tuck shop for pupils on the Key Stage 2 playground during morning break time. Initially this will happen on **Tuesdays and Thursdays**, however, we hope to extend this to Monday to Friday by the end of the term if it is successful.

### Why are we starting a Tuck Shop?

- Lots of children say they are hungry by morning playtime
- It will help them to concentrate on their learning before lunch
- It will promote healthy eating with a balanced approach to snacks
- Practise using cash because lots of our children don't ever use cash or coins
- Promotes Pupil Leadership

### How will it be organised?

- Initially we will run the tuck shop on Tuesdays and Thursdays.
- Children will be allowed to buy one item each.
- Cash only in a named purse of envelope.
- Please try to send **coins** and the **correct change**, not notes.

Please be aware that it is the children's responsibility to look after their own cash; the teachers will not keep or be responsible for it and the academy accepts no liability for loss. Items on the menu will be offered subject to availability.

Over the next few weeks, Mr Martin, the Pupil Leaders and I will review the success of the Tuck Shop with the rest of the children and then decide if we want to continue with this service.

The children were excited about this development when I spoke to them about it in Assembly on Monday and I'm very proud of the Pupil Leaders who came up with this enterprising idea and will lead this for their peers; I hope you'll support it too.

Yours Sincerely,

Mrs Sumner  
Principal
