Dear Parent / Guardian,

We have booked a visit to Magna as part of our Sound topic in Science. During the visit, we will be taking part in a Sounds workshop, as well as having the chance to explore the hands on exhibits of Air, Earth, Fire and Water. The visit will take place on Wednesday 28th September 2022.

The trip is free of charge however consent must be given via Parent Pay for your child to attend.

We will be leaving school at 9.00am so please ensure that your child arrives at school at **8:45am**. We will return to school for the end of the normal school day.

Magna is a “coats-on” experience and the children need to have suitable clothing for outdoor temperatures. With this in mind, children will need to wear their school uniform with a warm coat and practical footwear. They also need to bring a packed lunch and water bottle

Could you please ensure that if your child has medical needs that they have their medication with them on the day.

We do need some adult helpers for this trip and if you are able to help us with this, then please let your child’s class teacher know and we will be in contact with you.

Thank you for your continued support,

Mrs Rossall, Mrs Newton and Miss Hall.
