Make £5 Grow

Dear Parents and Carers,

As part of the Year 6 leaving project, they have been participating in Virgins 'Make £5 Grow' initiative. Virgin Money have given each of the children £5 each. They have then come together in groups and to design, make and market their own products with the aim of making their five pounds grow into a profit.

The children will then use the profit to contribute to their end of Year 6 bonanza (Cinema, McDonalds, Bowling and Fish and Chip lunch) so they can finish their time at Willow with a bang!

To ensure they do this they will be holding an enterprise market **on Monday 6th of July 2026**. We would like to ask **all the children from Year 2 to Year 6 to bring in some money to spend at the enterprise market** of which they will visit in their year groups throughout the day.

We hope that you will support the Year 6 pupils to help them make as much profit as possible.

Kind Regards,

Mr Parkinson and Miss Ward
The Year 6 Teachers
