

Music Progression Map

EYFS	KS1 National Curriculum Expectations	KS2 National Curriculum Expectations
<ul style="list-style-type: none"> • Communication and Language • Physical Development • Expressive Arts and Design 	<p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • Use their voices expressively and creatively by singing songs and speaking chants and rhymes. • Play tuned and untuned instruments musically. • Listen with concentration and understanding to a range of high-quality live and recorded music. • Experiment with, create, select and combine sounds using the inter-related dimensions of music. 	<p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression • Improvise and compose music for a range of purposes using the inter-related dimensions of music • Listen with attention to detail and recall sounds with increasing aural memory • Use and understand staff and other musical notations • Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians • Develop an understanding of the history of music.

	EYFS	Year 1	Year 2
Singing/ playing/ performing	<ul style="list-style-type: none"> • Learn nursery rhyme songs every half term. • Know what music means in simple terms e.g. singing and instruments. • Children play and explore a range of untuned percussion instruments, Drum, egg shaker, bells, rainmaker, maraca, claves, tambourine and are introduced to NEW instruments of triangle, tone block, guiro, castanet's. • Playing and making instruments for performances with stories and songs modelled by the teacher. • Nativity performance- take part and learn to sing songs. • Matching names with instruments • Perform in different ways, such as individually and in a group. • Introduction to chime bars as a tuned instrument. 	<ul style="list-style-type: none"> • Sing simple songs, chants and rhymes from memory, singing collectively and at the same pitch, responding to simple visual directions and counting in. • Begin with simple songs with a very small range, mi-so and then slightly wider • Sing a wide range of call and response songs, control vocal pitch and match pitch with accuracy. 	<ul style="list-style-type: none"> • Sing songs regularly with a pitch range of do-so with increasing vocal control. • Sing songs with a small pitch range, pitching accurately. • Know the meaning of dynamics (loud/quiet) and tempo (fast/slow) and be able to demonstrate these when singing by responding to (a) the leader's directions and (b) visual symbols (e.g. crescendo, decrescendo, pause).
Listening	<ul style="list-style-type: none"> • Listen to music for dance Diwali celebrations bollywood style music. • Listen to different styles of music – use the composer for the week. Talk about how it makes us feel and how we can move to it. 	<ul style="list-style-type: none"> • Teachers should develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing. • Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school. 	

Music Progression Map

<p>Composing</p>	<ul style="list-style-type: none"> ● Imitate sounds in the environment e.g. a shaker for the wind. Matching names and instruments with matching ● Create their own songs, or improvise a song around one they know ● Continue with simple pictures and shapes for musical notation. ● Draw to the music – lines, dots and dashes for early musical notation. 	<ul style="list-style-type: none"> ● Improvise simple vocal chants, using question and answer phrases. ● Create musical sound effects and short sequences of sounds in response to stimuli. Combine sounds to make a story, choosing and playing instruments or sound-makers. ● Understand the difference between creating a rhythm pattern and a pitch pattern. ● Invent, retain and recall rhythm and pitch patterns and perform these for others, taking turns. ● Use music technology, if available, to capture, change and combine sounds. ● Recognise how graphic notation can represent created sounds. Explore and invent your own symbols. 	<ul style="list-style-type: none"> ● Create music in response to a non-musical stimulus. ● Work with a partner to improvise simple question and answer phrases, to be sung and played on untuned percussion, creating a musical conversation. ● Use graphic symbols, dot notation and stick notation, as appropriate, to keep a record of composed pieces. ● Use music technology, if available, to capture, change and combine sounds.
<p>Musicianship - Beat</p>	<ul style="list-style-type: none"> ● Move in response to music in squiggle and wiggle (the beat) or different dancing songs. ● Listen to different styles of music – use the composer for the week. Talk about how it makes us feel and how we can move to it. 	<ul style="list-style-type: none"> ● Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes. ● Use body percussion, (e.g. clapping, tapping, walking) and classroom percussion (shakers, sticks and blocks, etc.), playing repeated rhythm patterns (ostinati) and short, pitched patterns on tuned instruments (e.g. glockenspiels or chime bars) to maintain a steady beat. ● Respond to the pulse in recorded/live music through movement and dance 	<ul style="list-style-type: none"> ● Understand that the speed of the beat can change, creating a faster or slower pace (tempo). ● Mark the beat of a listening piece by tapping or clapping and recognising tempo as well as changes in tempo. ● Walk in time to the beat of a piece of music or song. Know the difference between left and right to support coordination and shared movement with others. ● Begin to group beats in twos and threes by tapping knees on the first (strongest) beat and clapping the remaining beats. ● Identify the beat groupings in familiar music that they sing regularly and listen to

Music Progression Map

Musicianship - Rhythm	<ul style="list-style-type: none"> Clap or tap out a beat for words single syllables and our names multisyllables. Play clapping games and copy back with the teacher e.g. honey in the bee hive (clap it out and children copy back) Use the term percussion instrument and know it 	<ul style="list-style-type: none"> Perform short copycat rhythm patterns accurately, led by the teacher. Perform short repeating rhythm patterns (ostinati) while keeping in time with a steady beat. Perform word-pattern chants; create, retain and perform their own rhythm patterns 	<ul style="list-style-type: none"> Play copycat rhythms, copying a leader, and invent rhythms for others to copy on untuned percussion. Create rhythms using word phrases as a starting point. Read and respond to chanted rhythm patterns, and represent them with stick notation including crotchets, quavers and crotchets rests. Create and perform their own chanted rhythm patterns with the same stick notation
--	---	--	--

Musicianship - Pitch	<ul style="list-style-type: none"> Talk about loud and quiet sounds and play instruments this way. Explore everyday items that make sounds e.g. pans and sticks. 	<ul style="list-style-type: none"> Children match pitch- adult change pitch . using hands 	<ul style="list-style-type: none"> Listen to sounds in the local school environment, comparing high and low sounds. Sing familiar songs in both low and high voices and talk about the difference in sound. Explore percussion sounds to enhance storytelling. Follow pictures and symbols to guide singing and playing. 	<ul style="list-style-type: none"> Play a range of singing games based on the cuckoo interval matching voices accurately, supported by a leader playing the melody. Sing short phrases independently within a singing game or short song. Respond independently to pitch changes heard in short melodic phrases, indicating with actions. Recognise dot notation and match it to 3-note tunes played on tuned percussion.
---------------------------------------	--	--	--	---

	Year 3	Year 4	Year 5	Year 6
Singing	<ul style="list-style-type: none"> Sing a widening range of unison songs of varying styles and structures with a pitch range of do–so, tunefully and with expression. Perform forte and piano, loud and soft. Perform actions confidently and in time to a range of action 	<ul style="list-style-type: none"> Continue to sing a broad range of unison songs with the range of an octave (do–do) pitching the voice accurately and following directions for getting louder (crescendo) and quieter (decrescendo). Sing rounds and partner songs in different time signatures (2, 3 and 	<ul style="list-style-type: none"> Sing a broad range of songs from an extended repertoire with a sense of ensemble and performance. This should include observing phrasing, accurate pitching and appropriate style. Sing three-part rounds, partner songs and songs with a verse and a chorus. 	<ul style="list-style-type: none"> Sing a broad range of songs, including those that involve syncopated rhythms, as part of a choir, with a sense of ensemble and performance. This should include observing rhythm, phrasing, accurate pitching and appropriate style. Continue to sing three- and

Music Progression Map

	<p>songs.</p> <ul style="list-style-type: none"> • Walk, move or clap a steady beat with others, changing the speed of the beat as the tempo of the music changes. • Perform as a choir in school assemblies. 	<p>4 time) and begin to sing repertoire with small and large leaps as well as a simple second part to introduce vocal harmony.</p> <ul style="list-style-type: none"> • Perform a range of songs in school assemblies. 	<ul style="list-style-type: none"> • Perform a range of songs in school assemblies and in school • performance opportunities. 	<p>four-part rounds or partner songs, and experiment with positioning singers randomly within the group – i.e. no longer in discrete parts – in order to develop greater listening skills, balance between parts and vocal independence.</p> <ul style="list-style-type: none"> • Perform a range of songs as a choir in school assemblies, school performance opportunities and to a wider audience.
<p>Listening</p>	<p>Teachers should develop pupils' shared knowledge and understanding of the stories, origins, traditions, history and social context of the music they are listening to, singing and playing. Listening to recorded performances should be complemented by opportunities to experience live music making in and out of school.</p>			
<p>Composing - Improvise</p>	<ul style="list-style-type: none"> • Become more skilled in improvising (using voices, tuned and untuned percussion and instruments played in whole class /group /individual/ instrumental teaching), inventing short 'on-the-spot' responses using a limited note-range. • Structure musical ideas (e.g. using echo or question and answer phrases) to create music that has a beginning, middle and end. Pupils should compose in response to different stimuli, e.g. stories, verse, images (paintings and photographs) and musical sources. 	<ul style="list-style-type: none"> • Improvise on a limited range of pitches on the instrument they are now learning, making use of musical features including smooth (legato) and detached (staccato). • Begin to make compositional decisions about the overall structure of improvisations. 	<ul style="list-style-type: none"> • Improvise freely over a drone, developing a sense of shape and character, using tuned percussion and melodic instruments. • Improvise over a simple groove, responding to the beat, creating a satisfying melodic shape; experiment with using a wider range of dynamics, including very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte), and moderately quiet (mezzo piano). 	<ul style="list-style-type: none"> • Create music with multiple sections that include repetition and contrast. • Use chord changes as part of an improvised sequence. • Extend improvised melodies beyond 8 beats over a fixed groove, creating a satisfying melodic shape

Music Progression Map

<p>Composing - Compose</p>	<ul style="list-style-type: none"> ● Combine known rhythmic notation with letter names to create rising and falling phrases using just three notes (do, re and mi). ● Compose song accompaniments on untuned percussion using known rhythms and note values 	<ul style="list-style-type: none"> ● Combine known rhythmic notation with letter names to create short pentatonic phrases using a limited range of 5 pitches suitable for the instruments being learnt. Sing and play these phrases as self-standing compositions. ● Arrange individual notation cards of known note values (i.e. minim, crotchet, crotchet rest and paired quavers) to create sequences of 2-, 3- or 4-beat phrases, arranged into bars. ● Explore developing knowledge of musical components by composing music to create a specific mood, for example creating music to accompany a short film clip. ● Introduce major and minor chords. ● Include instruments played in whole-class/ group/individual teaching to expand the scope and range of the sound palette available for composition work. ● Capture and record creative ideas using graphic symbols, rhythm notation and time signatures, staff notation or technology. 	<ul style="list-style-type: none"> ● Compose melodies made from pairs of phrases in either C major or A minor or a key suitable for the instrument chosen. These melodies can be enhanced with rhythmic or chordal accompaniment. ● Working in pairs, compose a short ternary piece. ● Use chords to compose music to evoke a specific atmosphere, mood or environment. Equally, pupils might create music to accompany a silent film or to set a scene in a play or book. ● Capture and record creative ideas using graphic symbols, rhythm notation and time signatures, staff notation or technology. 	<ul style="list-style-type: none"> ● Compose melodies made from pairs of phrases in either C major or A minor or a key suitable for the instrument chosen. Music Progression Map

<p>Performing – Instrumental Performance</p>	<ul style="list-style-type: none"> • Develop facility in playing tuned percussion or a melodic instrument, such as violin or recorder. Play and perform melodies following staff notation using a small range (e.g. Middle C–E/do–mi) as a whole class or in small groups (e.g. trios and quartets). • Use listening skills to correctly order phrases using dot notation, showing different arrangements of notes C-D-E/do-re-mi. • Individually (solo) copy stepwise melodic phrases with accuracy at different speeds; allegro and adagio, fast and slow. Extend to question-and-answer phrases 	<ul style="list-style-type: none"> • Develop facility in the basic skills of a selected musical instrument over a sustained learning period. • Play and perform melodies following staff notation using a small range (e.g. Middle C–G/do–so) as a whole-class or in small groups. • Perform in two or more parts (e.g. melody and accompaniment or a duet) from simple notation using instruments played in whole class teaching. Identify static and moving parts. • Copy short melodic phrases including those using the pentatonic scale (e.g. C, D, E, G, A). 	<ul style="list-style-type: none"> • Play melodies on tuned percussion, melodic instruments or keyboards, following staff notation written on one staff and using notes within the Middle C–C'/do–do range. • Understand how triads are formed, and play them on tuned percussion, melodic instruments or keyboards. Perform simple, chordal accompaniments to familiar songs. • Perform a range of repertoire pieces and arrangements combining acoustic instruments to form mixed ensembles, including a school orchestra. • Develop the skill of playing by ear on tuned instruments, copying longer phrases and familiar melodies. 	<ul style="list-style-type: none"> • Play a melody following staff notation written on one staff and using notes within an octave range (do–do); make decisions about dynamic range, including very loud, very quiet, moderately loud and moderately quiet. • Accompany this same melody, and others, using block chords or a bass line. • Engage with others through ensemble playing with pupils taking on melody or accompaniment roles.
<p>Performing – Reading Notation</p>	<ul style="list-style-type: none"> • Understand the staff, lines and spaces, and clef. Use dot notation to show higher or lower pitch. • Understand the differences between crotchets and paired quavers. • Apply word chants to rhythms, understanding how to link each syllable to one musical note 	<ul style="list-style-type: none"> • Understand the differences between minims, crotchets, paired quavers and rests. • Read and perform pitch notation within a defined range (e.g. C–G/do–so). • Follow and perform simple rhythmic scores to a steady beat: maintain individual parts accurately within the rhythmic texture, achieving a sense of ensemble. 	<ul style="list-style-type: none"> • Further understand the differences between semibreves, minims, crotchets and crotchet rests, paired quavers and semiquavers. • Understand the differences between 2/4, 3/4 and 4/4 time signatures. • Read and perform pitch notation within an octave (e.g. C–C'/do–do). • Read and play short rhythmic phrases at sight from prepared cards, using conventional symbols for known rhythms and note durations. 	<ul style="list-style-type: none"> • Further understand the differences between semibreves, minims, crotchets, quavers and semiquavers, and their equivalent rests. • Further develop the skills to read and perform pitch notation within an octave (e.g. C–C/ do–do). • Read and play confidently from rhythm notation cards and rhythmic scores in up to four parts that contain known rhythms and note durations. • Read and play from notation a four-bar phrase, confidently identifying note names and durations.
