23<sup>rd</sup> November 2023

Dear Parent / Guardian,

During Spring term, we will be focusing on Coal Mining as part of our Heritage topic. To give the children a real coal mining experience, we have booked a visit to the National Coal Mining museum. The visit will take place on Friday 13<sup>th</sup> January 2023.

The trip will cost £14.50 which we think is excellent value for the activities they will participate in and the transportation to and from the museum. Payment is to be made and consent given via Parent Pay.

This unique experience will include visiting the historic colliery buildings, viewing their interactive galleries, enjoying inspiring workshops and having the chance to go underground in a real coal mine. So, as you can see, the day is jam packed with worthwhile learning experiences!

We will be leaving school at **8.30am**, so please ensure that your child arrives at school at **8:15am**. We will be leaving the venue to return to school for the usual pick up time at 3:15pm.

Children are to wear school uniform, a warm coat and practical footwear and bring a packed lunch and water bottle.

Please ensure that if your child has medical needs that they have their medication with them on the day.

Could you please make your £14.50 payment via Parent Pay by Tuesday 3<sup>rd</sup> January as a decision will be made on Wednesday 4<sup>th</sup> to determine if we have received sufficient monies for the trip to go ahead.

Thank you for your continued support,

Year 5 Teachers
