## **STEM Ambassadors Tree Mulching**

Dear Parents and Carers,

As part of our commitment to outdoor learning and environmental responsibility, we are inviting the STEM Ambassadors to take part in a mulching activity to support our new hedgerow and orchard on **Monday 27th April**.

This will be a valuable opportunity for the children to engage in hands-on conservation work, helping to care for and develop these important green spaces.

### **Activity Schedule**

- Years 4, 5 and 6 will take part in mulching the new hedgerow during the morning session.
- Years 2 and 3 will be mulching the orchard during the afternoon session.

### **Clothing and Equipment**

To ensure their comfort and safety, **children should come to school wearing:**

- Warm clothing suitable for outdoor work
- Wellington boots or sturdy footwear
- Long sleeves and trousers

### **Additionally, pupils should bring:**

- Their school uniform or PE kit to change into after the activity
- Small gardening gloves (if available)

**If you are happy for your child to participate, please provide consent by Friday 24th April** by clicking on the following link: <https://forms.gle/29MPvn9soaxN37af8>

Thank you for your support in this valuable learning experience.

Yours sincerely,  
Miss K. Ward  
STEM Subject Champion  
Willow Primary School
