### **STEM Raffle**

Dear Parents and Carers,

Our STEM Ambassadors are currently working with Sew Mindful Crafts in Edlington as part of the ASDA Heroes Project. As part of this exciting project, the children have been working alongside volunteers to learn how to safely use sewing machines and create tote bags using recycled clothes that have been generously donated.

To help fund this wonderful experience and support their social action project, the STEM Ambassadors have organised a raffle, with prizes kindly donated by ASDA.

There will be one raffle prize available for each phase in school, giving every child a chance to win. The raffle will take place on **Wednesday 17th June**.

Raffle tickets will cost **£1 per ticket**. If your child would like to take part, please send their money into school in a **named envelope** to help the STEM Ambassadors organise the raffle efficiently.

We are incredibly proud of the ambassadors for their hard work, creativity and commitment to supporting the community through this project. We would greatly appreciate your support in helping make the raffle a success.

Thank you for your continued support.

Kind Regards,

Miss K. Ward and the STEM Ambassadors
