

12th October 2022

Dear parent/carer

Over the last two terms, the children in year 6 have been working with local activist called Olivia Jones. All of the year 6 children in our trust – Exceed Learning Partnership – have taken part all learning about a different aspect of Social Justice. Our children choose to learn about anti-racism.

The final outcome of this work is an exhibition in a local art space in the town centre – The Art Bomb. All of the year 6 children are getting the opportunity to visit the exhibition and to work with a local artist.

We will be visiting the exhibition on Wednesday 19th October and will be working alongside Natasha Clarke a local activist whose work is seen around the town centre.

The children will be leaving school at 9am and returning to school for lunch.

Please provide consent on Parent Pay for your child to attend this event.

Yours sincerely

Miss Ward and Mr Parkinson

Year 6 Class Teachers.
