

3rd July 2024

Dear parents and carers,

I am writing to inform you that Mrs Maddox will not be returning to work before the end of the term. You will be aware that she has been suffering with her health and she is awaiting an operation which hopefully will resolve these issues but she has been advised that she must remain off work until it takes place.

She has asked us to pass on to you her disappointment and apology for the fact that she is unable to finish the year with Frogs class; she has tried extremely hard to persevere but must follow the medical advice. I am sure you will share with us our hope that she is better soon.

The children will be taught by Mrs Brammer from tomorrow until the end of the term. She has worked at Willow previously for several terms so we are delighted to have been able to secure her until the end of term. Miss Ackroyd will remain with the class so that the children have a familiar face and she will keep Mr Martin fully informed on a daily basis. He will also frequently be available on the playground in the morning if you need to speak to him.

Yours Sincerely

Mrs D Sumner
Executive Principal
