

11th December 2023

WINTER ENTERPRISE PROJECT: PRE-ORDERS

Dear Parents and Carers,

Developing confidence and enterprise skills are important to us at Willow, we include it many parts of our curriculum because it helps children to understand how they can make a positive contribution to the wider world.

All children have been designing and creating their Winter Enterprise products and they will be available to buy or experience during our Winter Fair on Friday 15th December.

Because demand is high for the products, and to make sure you can buy your own child's product, we are taking pre-orders via Parent Pay. **To see the fabulous selection of products available, please take a look at the information on the next page.**

To secure your child's product for yourself or your family, you can pre-order it by selecting it and making payment via Parent Pay between Tuesday 12th and Thursday 14th December. There will be products available to buy at the fair but they usually sell out quickly.

We look forward to seeing you at our Winter Fair on Friday 15th December (3.15pm start – Entrance through the doors in Key Stage one/ Year 2).

Yours Sincerely,

Mrs D Sumner
Principal

Winter Enterprise Project 2023
