

English

In **writing** we will be doing some descriptive writing about The Stone Age Boy. For this, we will be using expanded noun phrases to add detail to our setting descriptions (the **hot, crackling** fire). We will also try to include adverbs to try to captivate our audience (He tiptoed **bravely** into the cave).

We will also write a recount about our **school visit to Murton Park**.

Religious Education, (RE) This half term our enquiry question is '**What is faith?**' and we will be looking at how it makes a difference to people's lives. We will look at some of the similarities and differences between Christianity, Islam and Hinduism.

Science This half term we will learn about **forces and magnets** and then in Autumn 2 we will learn about **rocks and soils**.

Home Learning is

- Reading (5 times per week—please log on We Read)
- TT Rockstars (at least 3 times per week)
- Spellings (Test every Thursday)

Maths This half term we are learning about **statistics** and **place value**, including how to represent and partition numbers to 1,000, place numbers on a number line and find 1, 10 or 100 more or less.

We will also learn how to **add and subtract** two numbers with up to 3 digits, using efficient written methods and exchanges.

$$\begin{array}{r} 34 \\ +57 \\ \hline 91 \\ -1 \\ \hline \end{array}$$

Personal Social , Health and Citizenship (PSHCE) This half term we will explore '**Being me in my World**'. We will learn about our rights and responsibilities as a class member and how to work cooperatively with our peers.

History We will be learning about **Prehistory**. We will look at shelters and tools that were used in the Stone Age, Bronze Age and Iron Age, as well as how people lived in these times.

Foundation Subjects

In Art we will be making our own cave paintings.

In PE we will be learning how to play Basketball, including a variety of ball skills and attacking and defending techniques. We will also complete health and fitness activities.

In Music we will be learning to play the recorder.

In Computing we will be learning about computer networks.

In Spanish we will be learning about the country Spain and some basic vocabulary.
