

Friday 13th June 2025

Dear Parents/Carers,

The School Nursing Team will be visiting Year 6 on Monday 16th June to deliver a session about conception and birth. The content is age appropriate and they will start with a general talk on these topics, followed by engaging activities where the children can ask questions. While parents have the option to opt their child out of this session, we strongly encourage all pupils to participate as we consider this information vital to their education and wellbeing.

If you have any questions, worries, or would prefer to withdraw your child from the session, please get in touch with your child's class teacher or the school office.

Yours sincerely,
Miss Pownall

PSHE Champion and Personal Development Leader
