Dear Parents,

As you may know, Year 6 are currently taking part in a Virgin Money 'Make £5 Grow' project where they have each been given £5 to invest into their own business venture. So far, teams have worked on the key skills for successful enterprise, generated business ideas, refined these ideas and presented to a panel.

They are now ready to go with their products!

Year 6 have been given a really exciting opportunity to sell their products at the **Frenchgate Centre on 20th (Wildcats) and Thursday 21st July 2022 (Foxes)**. I am sure you will agree this will be a testing but rewarding **Wednesday** experience for all children.

The Frenchgate Centre have very strict rules on allowing people to sell including those on presentation and punctuality. Children will need to wear smart uniform and will need to be at the Frenchgate **for 9.00am (outside H&M)** **We are asking children to meet at the Frenchgate instead of at school that day.** We will be finished at 12.30pm and will return to school on the local bus so the children will need to **bring £1 for this please and a packed lunch.** The children can bring their own money to purchase items if they would like to do so.

Finally, please spread the word with your families and ask them to come down and support and buy their products!

Please complete the return allowing your permission for your child to take part in this event.
