6th January 2023

Dear Parents/Carers,

Our new topic this term is 'The Environment' and as part of this we are learning about evolution and adaption in science. In order to bring the topic to life we are planning a trip to the Yorkshire Wildlife Park on Monday 27th February 2023. As well as looking around the park we will be having an education workshop – Adaptations and Evolution.

Whilst we acknowledge that some children will have passes to the park, as we are experiencing an exciting educational workshop, YWP **will not** accept passes or offer any discount to annual pass holders.

The cost of the visit will be £16.00 per child. The children will need to bring a packed lunch and be dressed in warm clothing with suitable footwear. Please bear in mind that the children will be spending time outdoors, so ensure that your child is dressed suitably. If your child has medical needs they must have their medication with them on the day.

The children will be leaving school at 9:30am and returning by the end of the school day.

Could you please make payment and give your consent via Parent Pay by Friday 10th February 2023.

Yours sincerely,

Mr Parkinson and Miss Ward
