## Heritage and Diversity

Dear Parents,

From Wednesday 5<sup>th</sup> until Friday 21<sup>st</sup> January we will be taking part in our school 'Heritage and Diversity weeks'. As part of this, in Year 3 we are interested in finding out more about where our friends and families come from and what it is like in those places.

We would like for this to include learning about **all** countries, cultures and languages that link to our children. To achieve this we would like each child to complete a mini presentation about their culture. This could include photographs, drawings and writing about the children's families, favourite hobbies, houses etc. This can be done as a poster, leaflet or PowerPoint. We would like as many children as possible to complete this ready to share during the new half term. We have set a PowerPoint assignment on Teams. Any other information you are able to share can be emailed to us at [year3homelearning@willow.doncaster.sch.uk](mailto:year3homelearning@willow.doncaster.sch.uk).

**If you feel that you, or other family members, could support us by talking to the children about your culture or childhood over Teams, please email as soon as possible so that we can include this in our planning and timetabling for the weeks. It would be helpful if you could include details regarding when you would be available**

We are happy to discuss what you can offer with you if you are unsure.

All support would be greatly appreciated, we hope to hear from you

Mr Martin and Mrs Maddox
