8th February 2022

Dear Parents/Carers

As you are aware, all year 6 children will be taking the key stage 2 national tests in May (9th to 13th). As part of our preparation for these tests, we have organised 'booster sessions' to give the children extra practice and tuition in Reading to ensure they reach their end of year targets. Maths and SPAG take place during the school day.

The new boosters will start on Wednesday 23rd February 2022 (3.15pm to 4.15pm) and will run every Wednesday up until the 4th May. It would be of great benefit to your child if he/she could attend these sessions.

Please let us know what arrangements you will be making for your child to get home after these sessions by completing the form below and returning it to us by Friday 11th February.

Best wishes
