Covid Cases in Yrs 1 and 2

Dear Parents and Carers,

We are finding an increasing number of children and staff in Year 1 and 2 are testing positive for Covid 19. This is a mixture of symptomatic cases and asymptomatic cases. We would therefore strongly encourage the children to take lateral flow tests each day until Friday and to arrange a PCR test if they develop any symptoms. They do not need to isolate unless they have symptoms or get a positive lateral flow test so can attend school as normal.

- PCR tests can be arranged through the NHS website <https://www.gov.uk/get-coronavirus-test>
- Lateral flow tests from <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

If you have any questions about this, please contact Mrs Paterson, our Attendance Officer, or myself. Thank you for your support and understanding.

Yours Sincerely

Mrs Sumner
Headteacher
